NAVAL POSTGRADUATE SCHOOL
Monterey, California

The faculty and students at the Naval Postgraduate School
participate in complementary research and educational programs.
As part of the advancement of knowledge, contributions to their
career fields are actively disseminated to colleagues through
conference presentations and various publications. This report
has been prepared in order to document such professional efforts
over the last four years.

The Naval Postgraduate School wishes to acknowledge the
efforts of Mr. Keven McHugh and Ms. Claudia Hausler of the Naval
Postgraduate School Library for their portion of the production
of this book.

Requests for NPS Technical Reports and theses cited in this
volume may be made according to the directions indicated on the
following page. Requests for other publications should be
directed to the specific authors.
